

SJD PAC PRESENTS

PARENT MATH NIGHT

2 PART SERIES

APRIL 7TH & 21ST 6:30-8PM

**PARENTS- THE WAY WE LEARN MATH
HAS CHANGED!**

Why and how has the “Know-to-Understand” Math Curriculum changed? What you can do at home to support your child? Join us in a 2 part series where we develop some key strategies to share with your student...

Explore ways to assist your child in building number sense & a growth mindset

Discover why it is important to think visually in Math & how we achieve this

Learn about the math skills our students need to succeed!
